Also in attendance were the Respondent and her attorneys,

Following the Case Resolution Conference, the parties and the Board agreed to resolve the matter by way of settlement. The parties and the Board agreed to the following:

### **FINDINGS OF FACT**

By document dated May 18, 2011, the Board received a complaint from an investigator with the Maryland Automobile Insurance Fund (MAIF) who reported that he had been informed that the Respondent had reported an attorney who had paid persons to refer clients to him. During the course of that investigation, it was determined that the Respondent paid an individual for bringing patients to her for treatment. As a result of the complaint, the Board began an investigation which disclosed the following:

A. An investigator with the Attorney Grievance Commission advised the MAIF investigator that he had been contacted by an attorney who was told by the Respondent that an individual, hereinafter, "Individual A", was paid by another attorney \$300 for each client that resulted in representation;

B. Individual A informed the MAIF investigator and the Attorney

Grievance Commission Investigator, that his girlfriend had told him that the Respondent would pay her \$250 for the first patient she brought her and \$100 each for each patient thereafter. Individual A further stated that his girlfriend was given business cards, as well as a list of five to ten attorneys by the Respondent;

C. Individual A stated that his only involvement was that, in exchange for referring an African family to the Respondent, he was paid \$600. He transported the family there;

D. When the Respondent was interviewed by the Board's Investigator, she claimed that Individual A received the money for marketing, which Individual A denied. He said he never did any marketing for the Respondent

4. As set forth above, the Respondent violated the Act.
