Re: Derrick U. Turner, RMP  
Reg. No. R01637  
Case No. 13-58M

Dear Mr. Turner,

On September 12, 2013, the Maryland State Board of Chiropractic & Massage Therapy Examiners ("Board") notified you that the Baltimore City Office of Child Support Enforcement Administration of the MD Dept. of Human Resources ("Administration") directed the Board to suspend and deny your registration to practice massage in the State of Maryland for delinquent child support, pursuant to Maryland Family Law Code Ann. §10-119.3 (2006 Repl. Vol. and 2009 Supp.). With that notification, you were advised that the enclosed unexecuted Order of Suspension would be executed on October 13, 2013 unless you notified the Board in writing that you wish to contest the proposed suspension on the sole basis of mistaken identity.

As of the date of this letter, the Board has not received any such contest as to the suspension of your registration, nor has the Board been informed by the Administration that the child support delinquencies have been resolved.

**Accordingly, the enclosed Order for Summary Suspension was executed on October 13, 2013. Your massage therapy registration is hereby SUSPENDED.**

Maryland law requires that your registration remain suspended unless and until the Board receives notification from the Administration that your registration should be reinstated, pursuant to Fam. Law. §10-119.3(k). For questions on resolving your child support delinquency, call the Child Support Enforcement Administration of the MD Dept. of Human Resources at 1-800-332-6347.

**BACKGROUND**

On or about July 15, 2013, the MD Board of Chiropractic & Massage Therapy Examiners (Board) received written request from the Child Support Enforcement Administration of the MD Dept of Human Resources (Administration) to suspend the registration of Derrick Turner (Respondent), registration number R01637 for delinquent child support, by authority of the MD Family Law Code Ann., Family Law section 10-119.3(2006 Repl. (i) Appeal; hearing – (1) (i) Except as provided in paragraph (2) of this Subsection, an individual may appeal a decision of a licensing authority to suspend or deny the individual's license in accordance with Title 10, Subtitle 2 of the State Government Article.

(k) Reinstatement of License – Duty of licensing authority – A licensing

Authority shall immediately reinstate any license suspended, or process  
An application for any license denied, under this section if:

(1) notified by the Administration that the licensee should be  
Reinstated; and

(2) the individual otherwise qualifies for the license

On September 12, 2013 the Board sent an unexecuted copy of this Order to Respondent's last known address and to the address on the Administration request. Accompanying the unexecuted Order was a cover letter giving Respondent written notice of the right to contest his identity in writing within thirty (30) days of the date of the letter. In addition, the letter advised Respondent that if he did not submit a written contest of mistaken identity on or before the date, the Board would execute this Order. The Respondent failed to submit a written contest letter of mistaken identity by October 13, 2013.

#### **FINDINGS OF FACT**

1. The Board issued a registration to practice massage therapy to Respondent on July 25, 2012, said registration is active and set to expire on October 31, 2014.
2. On or about July 15, 2013, the Board received a written request from the Office of Child Support Enforcement Administration of the MD Dept of Human Services (Administration), requesting the Board to suspend/deny the registration of Respondent for delinquent child support under legal authority of Family Law section 10-119.3.
3. Family Law section 10-119.3(e)(2) & (h)(1) require that the Board suspend the registration of Respondent upon such notification by the Administration, sending Respondent written notice of the propose suspension and of his to contest his identity.
4. On September 12, 2013 the Board sent Respondent an unexecuted copy of the Order of Suspension to his last known address registered with the Board and listed on the Administration's request form. Included with the Order were specific instructions on

contesting identity by submitting a written letter of contest to the Board within thirty (3) days of the date of the Board letter. The Board letter also specifically advised Respondent that the Suspension would commence should a letter of contest not be received by the deadline date.

5. Respondent did not submit a written contest letter by said deadline date.

6. Having given Respondent the statutory required notice of intent to suspend his registration and the right to contest identity, and having not received a written contest of identity, the Board is statutorily required to suspend the registration in issue pursuant to Family Law section 10-119.3(e)(2).

#### CONCLUSIONS OF LAW

Based on the foregoing, the Board concludes that, pursuant to Family Law section 10-119.(e)(2)(i), it is statutorily required to suspend Respondent's registration.
